Dear Mr. Lamb:

This is in response to your request of April 7, 1999, for an extension of twenty days to respond to the Commission's reason to believe findings in this matter and for a copy of the internal DNC fundraising document cited in the Commission's factual and legal analysis. After considering the circumstances presented by you, the Office of the General Counsel has granted the requested extension and enclosed the requested document. Accordingly, your response is due by the close of business on April 21, 1999.

Additionally, we request for our records a separate statement of designation of counsel regarding the firm High & Stack which the Commission named as a separate respondent in this matter.

Should you have any questions, please contact me at 694-1650.

Sincerely,
